

TITLE: Communication With School Personnel
State Board of Education Ref: 2320; 5300

School employees are provided various opportunities to make recommendations to the Gilmer County Board of Education.

1. Employees may pursue Policy 5140.1, informally or formally to make recommendations to the Gilmer County Board of Education.
2. Employees may make recommendations at board meetings during the point of business: Hearing of the Public.
3. Recommendations may also be made through Gilmer County Education Association.
4. Monthly Principals-Superintendent meetings are conducted to discuss school related problems and recommendations.
5. Monthly Principals-Employee meetings are held, at which time, recommendations can be presented.
6. County Personnel Handbook:

The Gilmer County Board of Education School Personnel Handbook is revised annually and distributed to each employee of the Gilmer County Schools.

Superintendent and Principal bulletins are distributed as the need arises to provide employees with school related information.
