Title: Itinerant Teacher Assignment

For the purpose of assisting regular classroom teachers in the completion of extra duty assignments, itinerant teachers will be assigned a minimum of one day a week to a specific school.

While at the assigned school, the itinerant will be expected to complete or assist in the completion of any duties designated by the principal.

This policy in no way, should abrogate the responsibility of the itinerant in completing his regular weekly teaching assignments.

The work day of itinerant employees will be defined by the individual principal involved and within the guidelines established by the Board of Education.

Assignment to individual schools, for the purpose of fulfilling extra duties, will be made and administered by agreement between itinerant teacher, principals and Superintendent.

Effective Date: This policy is effective with the beginning of the 1984-85 school year.

Approved 3/12/84
