State Board of Education Ref: 18-5-35

Gilmer County Schools, (through a licensed insurance agent or a company duly authorized), provides two types of insurance to the students and employees of the board of education.

TYPE II - 24-hour Plan: Covers students and employees on a 24-hour a day basis.

Insurance information is given to each child and employee at the beginning of each school year. This is done on a voluntary basis and no pressure is applied to students in connection with purchasing insurance.

(Proper periodical premium deductions are made by the Board from the regular salary of the employee as specified in written assignment furnished it by each employee. Companies to receive payroll deductions must be approved by the Board of Education.)
