Gilmer County Schools
Policy Manual

Title: Teaching Supplies

APPROVED

AUG 26 1966

#6161.3

GILMER COUNTY
BOARD OF EDUCATION

The Gilmer County Board of Education believes that every child enrolled in the county schools should have an equal opportunity to a thorough and efficient free education.

In an effort to facilitate that belief, any fund allocated for teaching supplies will be distributed equally to all schools on a formula based on per pupils enrolled as per attendance reports for the second school month.
