

GILMER COUNTY SCHOOLS
POLICY MANUAL

POLICY #6164.5

TITLE: Remedial Reading
State Board of Education Ref: Chapter I; 18-20-2; 2100

Eligible elementary schools in Gilmer County are provided, under Chapter I funds, a remedial reading teacher. Students must be identified as needing remediation before admittance to remedial reading. Visits are made to the reading teacher once a day in small groups in accordance with remediation needed. Close evaluation is kept on these students and when remediation is complete, students are dismissed from the special class.

Remedial Reading personnel will be officed in the school where they are assigned. They will receive direct supervision from the principal of that school. Their work day will parallel that of a regular classroom teacher to include extra duty assignments and a minimum of one classroom period a day, or its equivalent, for planning and preparation.

Effective Date: This policy is effective with the beginning of the 1984-85 school year.
